Greeter

Welcome to the Hollywood Tower Hotel. How many will be dropping in with us today?

Please head down the hall to your [side]. Please stand back from the library doors as they will be opening towards you soon.

Preshow

Please enter the library making room for everyone. We ask that you draw your attention to the t.v.

Please exit the library through the door on your right and head towards the elevators.

Load Elevator

Greetings, I am your Bellhop for today. Please find a number to stand on, the elevator will arrive shortly.

Before you go, our concierge would like to share a quick word with you.

The doors to your elevator have now opened for you to enter. Please be careful and watch your step as you enter.

Now that you all seem secure enough, do make sure all items, and companions are secured as well.

Any last-minute questions or concerns? Too late!

Unload Elevator

Welcome back, I'm glad to see you all are still here and in one piece. Please exit to your left, and do drop with us again. Farewell.
